and a grant of \$1,589,000**

Program:	Water and Waste Disposal Loan and Grant
State:	Virginia
County:	Scott
Congressman, District:	Griffith, 9
Senators:	Warner and Kaine
Recipient:	Scott County Public Service Authority
Recipient Contact:	Mike Dishman, PE, Executive Director 156 Legion Street, Weber City, VA 24290 mike.dishman@sctv.coop 276-386-3401 x205
Project Description:	<u>Phase 1 of the Fairview Community Drinking Water Project.</u> Rural Development funds will be used to extend public water service to the Fairview area of Scott County. Residents in the area are currently served by private water supplies which are contaminated with E. coli bacteria, thereby causing a health hazard. This project will correct the health hazard. Construction includes approximately 18 miles of water distribution lines; 95 water meters; 33 fire hydrants; and related appurtenances. This water extension will serve approximately 95 new residential users in this the first phase of the total Fairview project.
Loan Terms:	40 years at 1.375%
Other Funding:	\$30,000 – RD SEARCH Grant (previously approved); \$150,000 – Grant from Virginia Department of Health; \$150,000 – Grant from LENOWISCO Planning District Commission; \$200,000 – Grant from Coalfield Water Development
Total Project Cost:	\$6,920,000
